### SAFEGUARDING POLICY

This policy should be taken and used as part of the Association's overall strategy and implemented within the context of our purpose and values as a Member of the Central Council of Church Bell Ringers.

Members, especially Tower Correspondents, shall be regularly reminded of their responsibilities in this area.

Safeguarding at all activities organised by the Association shall be in line with current

- National Legislation
- Advice from the Central Council of Church Bell Ringers <https://cccbr.org.uk>
- Advice from the House of Bishops
- Rules and Guidelines of the Salisbury Diocese  
<http://www.salisbury.anglican.org/parishes/safeguarding>

Every parish/benefice is encouraged to have a Nominated Person (a Parish Safeguarding Representative). Parishes and benefices should have policies and procedures in place to deal with any potential incidents. In addition this Association will encourage all ringers who are engaged in teaching or are responsible at locations where there are children or vulnerable adults to undertake Safeguarding Training and to follow good practice.
